NEGLECT MATTERS **Understanding, Recognising and Taking Action**

Yorkshire and Humber Multi-Agency Safeguarding Trainers
(YHMAST)
Regional Conference 2017

Friday 5th May 2017
at the Humber Royal Hotel, Grimsby
10.00am - 4.00pm - Registration at 9.30pm

The Conference will consider the nature of neglect, its impact on children and young people, the importance of early help and practical approaches and tools to support practice

Confirmed speakers:

Professor Jan Horwath, Sheffield University

Jan is an acclaimed academic whose research and writings on child welfare has informed policy and practice developments both nationally and internationally.

Phil Raws, Senior Researcher, The Children's Society

Phil is the author of a new ground breaking research report, informed by young people themselves, which lifts the lid on the extent of neglectful parenting of teenagers in homes across the UK

As well as key note speeches, there will be various workshops including:
Neglect and Disguised Compliance, Brain Development, Attachment, Responding to Neglect – Exploring Different Approaches, Work with Troubled Teens.
