

# Do you really know who you're talking to online?

Jessica & Clare age 8

Anna age 9?

- Some people may not be who they say they are.
- Don't give away your name, address, phone number or school, even in your user ID.
- If you do arrange to meet anyone for the first time, always take a trusted adult with you.
- Be careful what you send or put online. It could be tracked, changed, copied and reappear after you delete it.
