Welcome

to Kirklees Safeguarding Week

25 June to 29 June 2018

Kirklees Safeguarding Week is returning for a third year as part of the West Yorkshire wide Safeguarding Week.

Book on to the events, briefings and workshops and get involved!

*Event details are accurate at the time of producing this programme. Other events are still in the planning stages, and will be added when confirmation is received.

Safeguarding.

It's everyone's business

Throughout the week...

Locala

Locala's focus for Safeguarding Week is on the theme of grooming in order to raise colleague awareness of the different types and some of the signs to look out for. Locala staff will be encouraged to stop and talk to members of the safeguarding team who are going to be more visible in bases throughout the week. Locala are also producing a VLOG and a newsletter around grooming and there will be screensavers put onto everyone's laptop. The safeguarding intranet site will also host updates and laminated posters will be distributed which will include details of planned events throughout Kirklees.

For members of the public, receptions areas will be hosting displays around safeguarding.

KSCB: What Works Survey

The KSCB have created a survey to explore 'What Works' in the safeguarding system. The survey asks questions around policies and procedures, recognising signs of abuse, knowledge and experience and training. The survey will go live from 25th June 2018 until 30th July 2018.

The Survey consists of 10 questions and should take no longer than 5 minutes to complete.

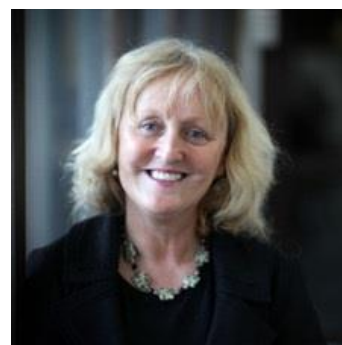

The results will be compiled by the KSCB and used to inform the work of the KSCB going forward.
