Introduction

This document contains details of all Kirklees Safeguarding Children Board multi-agency training courses planned for the year 1st April 2019 – 31st March 2020 with dates, times, entry requirements etc.

Accessing KSCB training

Please ensure that you discuss all course bookings with your line manager prior to booking

All KSCB courses are booked on-line through our training course management system on the KSCB website. Click on the link to the Training course management system, which is entitled **[“available courses”](#)** halfway down the home page www.kirkleessafeguardingchildren.co.uk

If you have any questions regarding your training requirements please email KSCB.Admin@kirklees.gov.uk or call 01484 225161 and speak to the Learning and Development Officer.

If you have previously completed any KSCB training you will already have a training account. You should never create a second account. Our training records go back to 2003. If you have forgotten your user name and password, there is a link on the system to generate an e-mail reminder. Alternatively, e-mail the KSCB admin box.

If you have never completed KSCB training before click on the new user button and complete the registration form, taking care to fill out all your details correctly. It is important that the role and organisation are recorded accurately (and are updated by the user when changing jobs). Some course places are allocated (and sometimes prioritised) on the basis of roles. Incorrect details also lead to inaccurate audits.

Once logged in, you will then be able to see all available courses, or search for a specific course you have seen in this programme and apply for a place

Once you have applied for a place please make a note of this in your diary and keep the date free, at this point it will only be tentative until you receive a confirmation email.

You will receive an email confirming your place up to three months before the course, please read the email carefully as it will contain useful information regarding venue, course documents and more. You will also receive a reminder email two weeks before the course.

Please make sure that you keep your contact details up-to-date. Click on the “My Account” icon and check.

“I hope you take the opportunity to take part in some of the courses we provide as only by learning together can we challenge and change practice for the people we work for.”

Sheila Lock, Independent Chair, KSCB

Important course information

Please make sure that you arrive in time to start the course promptly at the stated start time. Late arrival may result in your being turned away from the course. Equally please make arrangements to stay until the end of the course. Leaving early may result in you being marked absent from the course and your line manager will be informed.

Due to budget constraints, lunch is NOT provided so please make your own arrangements for this. Tea or coffee will be provided in the morning and afternoon breaks. Copies of PowerPoint presentations used on KSCB courses will NOT be made available on the day, these can be downloaded from our training course management system and a link to these is provided on your confirmation email. Participants packs including the PowerPoint slides and other accompanying information will be sent out to all learners following the course.

Cancelling a place on a course

It is your responsibility to cancel a place on a course. This can be done easily through the course management system, simply go to your “My Confirmed Courses” and click on the red “X”. If you have not yet received confirmation of your place on a course and you wish to cancel your application go to “My Applications” and click on the red “X” next to the course you wish to cancel. Any cancellations made within 48 hours of the course will need to be done by telephoning KSCB Administration on 01484 225161. If you have a colleague who is able and eligible to attend in your place you may substitute them into your place provided that they also meet any entry requirements (e.g. job role, previous training completed)

Charging Policy

Courses are free for the statutory, voluntary and community sector. There is a £100 charge per place for private organisations attending full day courses and £50 for a half day (failures to attend and cancellations within 48 hours of the start of the course are charged at the same rate). Information on all failures to attend a course and cancellations made 48 hours before the start of the course are collated and senior managers informed. Individual agencies may choose to use this information to take disciplinary action against learners who repeatedly fail to attend KSCB courses. Any cancellations must be made at least 48 hours prior to the course start time. In the event of sickness on the day, it is a line manager’s responsibility to find an appropriate replacement to attend and, if the place cannot be filled, informing KSCB of the intended absence.

Eligibility for places on KSCB training courses

Classroom courses are available to learners who work or volunteer with children and families in the Kirklees area. We cannot offer places to anyone outside of the Kirklees area and would recommend that you contact your own local safeguarding children board for details of their training programmes.

Students will only be given places on courses when they are undertaking their placement or by prior arrangement between the KSCB Learning and Development Officer and educational institute. Places are not offered to anyone under the age of 18 years.

Places on courses are usually allocated on a “first come, first served” basis, however, as we strive to have a good mix of people from different agencies and organisations on courses we sometimes allocate out of order to achieve this.
