

Key Messages from The Partnership

August 2019

Kirklees Safeguarding Children Partnership

KSCP Course Management System

Following on from recent communications about our new website and course management system we would like to inform you that we have now moved over to a new website and a new course management system (CMS). The new website and CMS are more user friendly, less resource intensive on the KSCP Business Unit and will allow delegates to complete important E-learning training on phones, tablets and apple products as well as laptops and PCs.

We are aware that you have applied to go on certain courses on the previous system, due to the change, you will now need to sign up on the new course management system and create an account to apply for the courses you wish to attend going forward. The direct link to register for a training account is: <https://kirklees.event-booking.org.uk/register>

Information about Multi-Agency Training can be found via the homepage of the website under the 'Our Services' Section. Click on the 'Multi-Agency Training' tile which now includes our E-learning packages.

<https://www.kirkleessafeguardingchildren.co.uk/>

If you have any questions about our new website or the new course management system – we're here to help. Please get in touch by emailing KSCP.admin@kirklees.gov.uk initially.

PDVG

Click [here](#) to view a flyer about a briefing for professionals which is being delivered by the Pennine Domestic Violence Group (PDVG) around "support for victims of domestic abuse to get 'do it yourself' civil orders".
