

## KSCP New Virtual Training Feedback

Great course; great exercises; I learnt so much

Nervous using zoom but once got into it thought it was brilliant

Loved the breakout room exercises and the fact each exercise had different people in the rooms

Trainer & facilitator handover was seamless

Break out sessions were brilliant

Trainer knowledge was great and made everyone feel relaxed, loved it and will definitely sign up for more training

Case scenario at the end were great to consolidate the days learning

I actually felt more at ease asking questions than in a classroom setting

## Squaring / Money Mules Campaign -

### Launched on Monday 7th September

West Yorkshire Police have launched a new campaign to highlight to young people the dangers of a crime known as 'squaring' or 'money mules'.

Criminals will target young people and ask them to use their bank accounts for moving money which is linked to crimes such as firearms, drugs and human trafficking.

See the website for more information [www.westyorkshire.police.uk/squaring](http://www.westyorkshire.police.uk/squaring)

## The Children's Society — #Look Closer Campaign

The Children's Society are happy to announce that the #LookCloser campaign materials are now available to distribute across your networks ahead of the national launch on 14<sup>th</sup> September 2020.

Look Closer is a national public awareness campaign seeking to prevent child exploitation. Developed in partnership by the NPCC, BTP and The Children's Society it seeks to highlight that child exploitation can take place anywhere and may be particularly visible in public spaces.

The materials includes both public awareness material and resources for policing and partners which focus on the NRM and best practice in engaging young people.

Please cascade this to all your force leads and relevant partners and ask them to do the following, which is also outlined in the briefing:

- a. Share the poster and leaflet digitally. Only circulate physically where safe to do so.
- b. Use our social media assets to share our campaign online from the 14<sup>th</sup> of September.
- c. Download our free presentation slides and one pager resources. Add these to your internal intranet sites or screensavers for colleagues to see.
- d. Copy and paste our email signature to help spread the message to your network.
- e. Visit our [#LookCloser webpage](#) and share our key messages.

The Children's Society thank you for all your support in taking this campaign forward.

All the relevant documents mentioned above have been uploaded with this briefing for you to download and share far and wide.

## PDAP's Live Chat Facility

The PDAP have secured funding to continue PDAP's Live Chat Facility. The chat facility was initially brought in as a response to Covid-19.

Please circulate this information to your staff/teams as we know that throughout the lockdown period, some victims have found it easier to contact services 'quietly', rather than having to call.

Live Chat can be accessed by going to PDAP's website [www.pdap.co.uk](http://www.pdap.co.uk) where live support from a specialist domestic abuse practitioner will be offered between 5pm and 8pm Mon – Fri and 11am – 2pm Sat and Sunday

This means the PDAP can carry on offering a 'low barrier' way for victims (and anyone else) to get immediate support advice and information about domestic abuse, forced marriage and honour abuse and link them to local services that provide domestic abuse support if required.

An information poster has been uploaded with this briefing for you to download and share far and wide.

## SWYPHT—Supporting Children and Young People with Their Mental Health and Wellbeing

Children and young people may understandably be concerned or worried by what they see, read or hear in the news, online or at school regarding coronavirus.

There are ways in which you can support them to understand what is currently happening, for further details click [here](#).

## APCC Road Safety and Enforcement National Survey—Open

Road Safety is one of the 16 priorities in the Police and Crime Plan and is commonly the priority which West Yorkshire communities feel most strongly about in public consultations.

The APCC are conducting a Road Safety and Enforcement National Survey, which is open for consultation until 30<sup>th</sup> September.

The survey can be found here – [www.surveymonkey.co.uk/r/apccsaferoads](http://www.surveymonkey.co.uk/r/apccsaferoads)

Everyone is encouraged to take part in the survey where possible and should only take around 60 seconds of your time.
