

Hello There!

Here are **September's** opportunities for you to jump on board and get involved!

We've had a busy month! We've visited parks and open spaces, speaking with over 230 young people about the programme and asking about how they are managing the Covid-19 pandemic. We've learnt that our outdoor parks and play spaces have been important in keeping you busy and happy. We're hearing that the 'changes' can be unsettling and uncertain, but you'd like to hear positive messages and be involved in our plans to 'manage and move on' from lockdown. You can see our full summary of key messages [here](#)

Young people helped last month to interview our new Service Director-Tom Brailsford, have given a first lot of suggestions on how to improve our 'Local Offer' website and responded to our online digi-survey about what online platforms they use and the best ways to reach you...

Quick Covid Question

This takes a couple of minutes, you can even answer on your phone.

Young people in Kirklees have been doing great, in helping manage the Covid-19 pandemic. But, it's not gone!

We're scratching our heads, because some young people aren't following 'the rules'...

Why do you think that might be?

Make our Social's Banging!

Got a bit of spare time?

We would love for a team of young people to take over our Socials. We want to start with Our Voice and move onto supporting our Council communication team.

Can you vlog? Are you an amazing photographer? A budding journalist or fab at computing and tech?

Join our digi-team [here](#)

Equality & Inclusion

Got a bit of spare time?

We want to know about how the places you go and services you use, help you feel included.

Be part of our inclusion & **LGBTQ+** Project [here](#)

Improve our SEND Offer

Got a bit of spare time?

Have extra support with your learning, moving around or communicating? Help us with our Local Offer [here](#)

Want to do some online training, meet new people and earn rewards?

You can be part of our team of young advisors, by completing fun, online sessions. These take 45 minutes each. You pick and choose the ones that interest you. For more information, [click here](#)

We have a webpage here: <https://www.kirkleessafeguardingchildren.co.uk/young-peoples-voice/>
