

Drugs and Alcohol Awareness Training

The Base are offering free, specialist training sessions tailored especially for those professionals working with young people under the age of 21 in Kirklees.

We can deliver bespoke training for your organisation. Topics on offer include:

Who are The Base and what do we offer?

How to refer

Why do young people use drugs?

Basic Drugs Awareness & current trends

Hidden Harm – impact of parental substance use

Know the score screening tool

Harm Reduction advice and much more.

Sessions can be held online via zoom, Skype or Teams at your convenience. We can plan timings around you and your organisation.

All Participants will receive a certificate from The Base as proof of CPD.
