

National Child Exploitation Awareness Day—18th March 2021

STOP Child Sexual Exploitation—NWG Network

Join in the fight against child sexual exploitation.

The NWG Network are raising awareness of child sexual exploitation and wider exploitation through their national campaign. It aims to highlight the issues surrounding CSE, encouraging everyone to think, spot, and speak out against abuse, and adopt a zero tolerance to adults developing inappropriate relationships with children. They believe, if they can make more people aware, that they can improve the chances of young people being heard.

Read more about it on their [website](#).

Write a personal pledge on your hands to show support for their Helping Hands campaign and post it with the hashtags **#HelpingHands** and **#CEADay21** on social media.

CHILD SEXUAL EXPLOITATION (CSE) IS A FORM OF SEXUAL ABUSE THAT INVOLVES THE MANIPULATION AND/OR COERCION OF YOUNG PEOPLE UNDER THE AGE OF 18 INTO SEXUAL ACTIVITY.
