

# The Listening Hub

## What is The Listening Hub?

A virtual hub that allows young people and families to share their voice and thoughts with us directly about what is important to them.

## Who can use the Listening Hub?

Anyone!

Whether you are a young person, parent, carer or member of the community, you can share your thoughts with us.

[Please click here to access The Listening Hub Submission Form](#)

We will be hosting live events to create change by bringing young people, families and professionals together to share views and ideas

The Listening Hub will contain a network of practitioners to share good practice around engagement and participation

Your voice matters!
